Forecast For Southwest England
Issued by Met Office Exeter
at 0400 on Friday 20 Aug 2021

++ Valid for broadcast between 0600 and 1800

Headline:
A dry and bright day with the odd shower possible.

Today:
A mostly dry and warm feeling day with variable cloud and some bright or sunny spells. The odd shower could develop later in the afternoon and towards the evening. Maximum temperature 22 deg C (72 deg F).

Tonight:
Increasingly cloudy through the evening, ahead of a band of heavy rain moving from the west, persisting through the night, reaching eastern counties by dawn. Winds freshening in coastal locations. Minimum temperature 13 deg C (55 deg F).

Saturday:
Heavy morning rain clearing to sunshine and showers, some heavy, locally torrential, with possible thundery downpours. Somewhat drier across Cornwall later. Maximum temperature 22 deg C (72 deg F).

Outlook for Sunday to Tuesday:
Turning drier Sunday with sunny spells and a few showers. Becoming much more settled into next week, with dry conditions and sunny spells. Feeling warm in any sunshine.
